RESEARCHER'S STATEMENT

I, the undersigned, being aware of my criminal responsibility hereby declare that the above provided data are correct. I furthermore declare and acknowledge that I am fully aware of and keep the regulations of the Cathedral Library of Esztergom (furthermore Library) on the use of the library and related to copyright laws and regulations. I undertake the obligation, under liability for damages, of taking care of the entireness and order of the documents received for the purpose of research. I acknowledge that the research permission does not allow obtaining of any rights related to the usage of the document provided for me; in case I intend to make a copy or digital copy of the documents of the Library, I shall ask for permission for publication.

I will send the bibliographical data of my publication containing the research materials and also 1 copy of it, if possible, within 1 month following the publication.

Esztergom,

.....
(signature of researcher)

RESEARCH PERMISSION

Based on the above application, I provide the permission for research.

The permission is valid until:

Esztergom,

.....
(signature of the managing director of the Library)
